I can answer the briefing topics questions. We talked to Doug about the UIC permits and AE changes we will be proposing for a second public comment period and a timeframe for issuing the draft documents. Right now we are shooting for May 2019.

Kimi,

What was the subject of OWP's discussion with Doug yesterday? What is the context for the paper on EJ authorities/practices? Permitting specifically or broader than that?

Thanks,

Corbin

Hi – looks like we have more time for this paper since tomorrow's meeting is postponed. I'll still try to get comments back to you later today/tomorrow.
